

Attorney & Corporate Trainings

Leadership Academy for Women

Law firm partners & in-house counsel - July 22 - 24, San Francisco

The Leadership Academy is an intimate training for attorneys who are rising stars in their orgs. Consistently referred to as “life-changing” since the inaugural 2007 program, it offers copious CLE and a fine-tuned curriculum that enables participants to increase their visibility and value to their orgs by leveraging their talents and abilities more strategically.

Partner Accelerator Academy

Law firm associates - Spring 2025, Washington DC

The majority of law firm associates are women, yet only 27% are promoted to partner. Developed with an advisory board of women in leadership roles at 20+ top law firms, the Partner Accelerator Academy empowers attendees to successfully navigate the partner review process and enter partnership with the momentum to succeed. eacenter.org/pa

Women’s Leadership Edge

WLE is a corporate membership program for orgs that strive to level the playing field. Programming includes leadership training, professional skill building, and action-oriented conversations around race, gender and first-generation professionals in the workplace. Access is org-wide and designed for both individuals and leaders looking for sustained support in their DEI efforts. womensleadershipedge.org
